Dear Miss Monkey

Just writing to let you know that I am out of the army for good and I want to know if I can come with the club this year. Miss Monkey I got three boys want to come up with me. I told them I was going to write to you. They are good ball playing and they like to come up with me if you want them. My Mother want to know what will you pay me if I make the club please.

Yours Truly,
Albert Wallion
